Palliative Care Report Card Briefing & Release

Please join the Patient Quality of Life Coalition (PQLC) for a
lunch briefing, and release of the

**2015 State-by-State Report Card on Access to Palliative
Care in Our Nation's Hospitals**

**By the Center to Advance Palliative Care
and the National Palliative Care Research Center**

The report provides an analysis of whether seriously ill
patients in the United States are receiving equitable access
to palliative care services in hospitals, and identifies the
areas where persistent gaps remain across the fifty states.

HOW DOES YOUR STATE RATE?
